Architectural Review Approval process:

The HOA ARC will confirm receipt of the form within five (5) days by either email or phone depending on the information provided on the request form. **If acknowledgement not received within 5 days, the form must be resubmitted.**

HOA ARC will approve /disapprove within 30 days after confirmation. HOA ARC has the option to hire a 3rd party to review submitted design. In the event that HOA ARC shall fail to approve/ disapprove request within 30 days after confirmation approval shall not be required.

The ARC is confirming that the request meets with the guidelines set forth in the Covenants (Revised January 2017). Every owner who submits requests to the ARC for approval agrees by submission of such plan and specifications that they will not bring any action or suit against the Association, its Board or the ARC.
